

A32894 - 072797.0127

Amend claims 42-44 and 46 as follows:

A1

42. A wireless access device as specified in Claim 41 wherein said communications system is a DSL communications system connected to the Internet, and wherein said modem comprises a DSL modem.

43. A wireless access device as specified in Claim 41 wherein said communications system is a two-way cable communications system connected to the Internet, and wherein said modem comprises a cable modem.

44. A wireless access device as specified in Claim 43 wherein said communication system comprises a fiber optic system, and wherein said modem comprises a fiber optical modem.

A2

46. The method specified in Claim 45 wherein said step of providing said mobile unit, comprises providing a computer having an RF port.

REMARKS

In connection with responding to the restriction requirement dated July 24, 2003, which response was filed by mail on August 25, 2003, Applicant's attorney noted an error in the dependency of some claims. This Preliminary Amendment corrects the errors noted without changing the scope of any claim.

Attached hereto is a Version with Markings to Show Changes.

Respectfully submitted,

  
James J. Maune  
Patent Office Reg. No. 26,946

Attorney for Applicant
